## The 12th Annual Boulder Tour of Solar and Green Built Homes

Sunday September 30th, 10am - 4pm (registration and map pick-up 9am - 1pm)

The Boulder Tour of Solar and Green Built Homes allows participants to see first-hand that solar and green built homes are comfortable, practical, reliable, and affordable. Tour participants are able to meet with the homeowners, builders, contractors, and installers to ask questions and discuss opportunities. Participants receive a guidebook and map of the homes and an educational CD ROM. This year 14 innovative solar and green built Boulder County homes will be featured. Day of registration and map pick-up will be located at The Center for ReSource Conservation office at 1702 Walnut Street from 9am - 1pm.

Bikes

@ \$10 each

Car Group

@ \$20 each
